## Getting a rebate is easy!

Email completed application and copy of dated sales receipt **within 90 days of purchase** to:

[rebate@brightenergysolutions.com](mailto:rebate@brightenergysolutions.com)

Or, print this form and mail it, along with a **copy of your invoice**, to Brookings Municipal Utilities, 525 Western Ave, PO Box 588, Brookings, SD 57006

This offer is good for tune up of residential central air conditioners and air source heat pumps only. Restrictions apply, as noted. This offer is available to customers of participating municipal electric utilities listed on the back of this form. Equipment must be installed at least one year prior to tune up in a residence served by a participating electric utility. Equipment must not be used to qualify and receive payment for energy savings from any wholesale electricity market.

Customers may only receive one incentive per piece of qualifying equipment in any two year period.

To receive rebate, mail completed application, along with your dated sales receipt, to your participating municipal utility, or email to [rebate@brightenergysolutions.com](mailto:rebate@brightenergysolutions.com). Incomplete information will delay or disqualify your rebate. **Applications must be postmarked within 90 days of tune up.** If you do not receive your rebate within eight weeks, please call participating utility.

This rebate program is authorized each year for incentives that are available from January 1 through December 31. This rebate offer is available on a first come, first served basis, and can be changed or withdrawn at any time without notice. The utilities do not warrant the performance of tuned up equipment expressly or implicitly. Not responsible for lost, late, or undelivered responses. This form has no cash value. Please retain a copy for your records.

Any use of this rebate or form except as described herein constitutes fraud. Fraudulent submissions could result in federal prosecution under U.S. Mail Fraud Statute (18 U.S. Code, Section 1241 and 1242).
